

Burlescombe School PTFA report

The Burlescombe School PTFA have continued to raise funds over the past year with bingos, the Christmas Cracker and cake sales. This is all to help fund extra curricular trips and much need equipment to help enhance the children's learning.

We have a new head teacher who has made many positive changes within the school over the last few months.

Our biggest project over the next few months, is to create an outdoor learning area which will be a great addition to the school. If the Parish Council or any local businesses or individuals would like to help with this in anyway we would be pleased to hear from them.

Our final fundraising event of the year, will be our School Summer BBQ on Fri 17th July. Everyone welcome!
